WASTEWATER

10/15/12: Telephone

Mr. and Mrs. Hobbs called to say they are in Oregon and have two homes in Yuma. They received a notice of a wastewater increase from Far West Water and Sewer, Inc. They are opposed to the rate case increase for wastewater. They said their main issue is that Yuma is known for its seasonal residents and we may use some water when we are in another state for plants and such, but use no wastewater at all.
